Previous Work

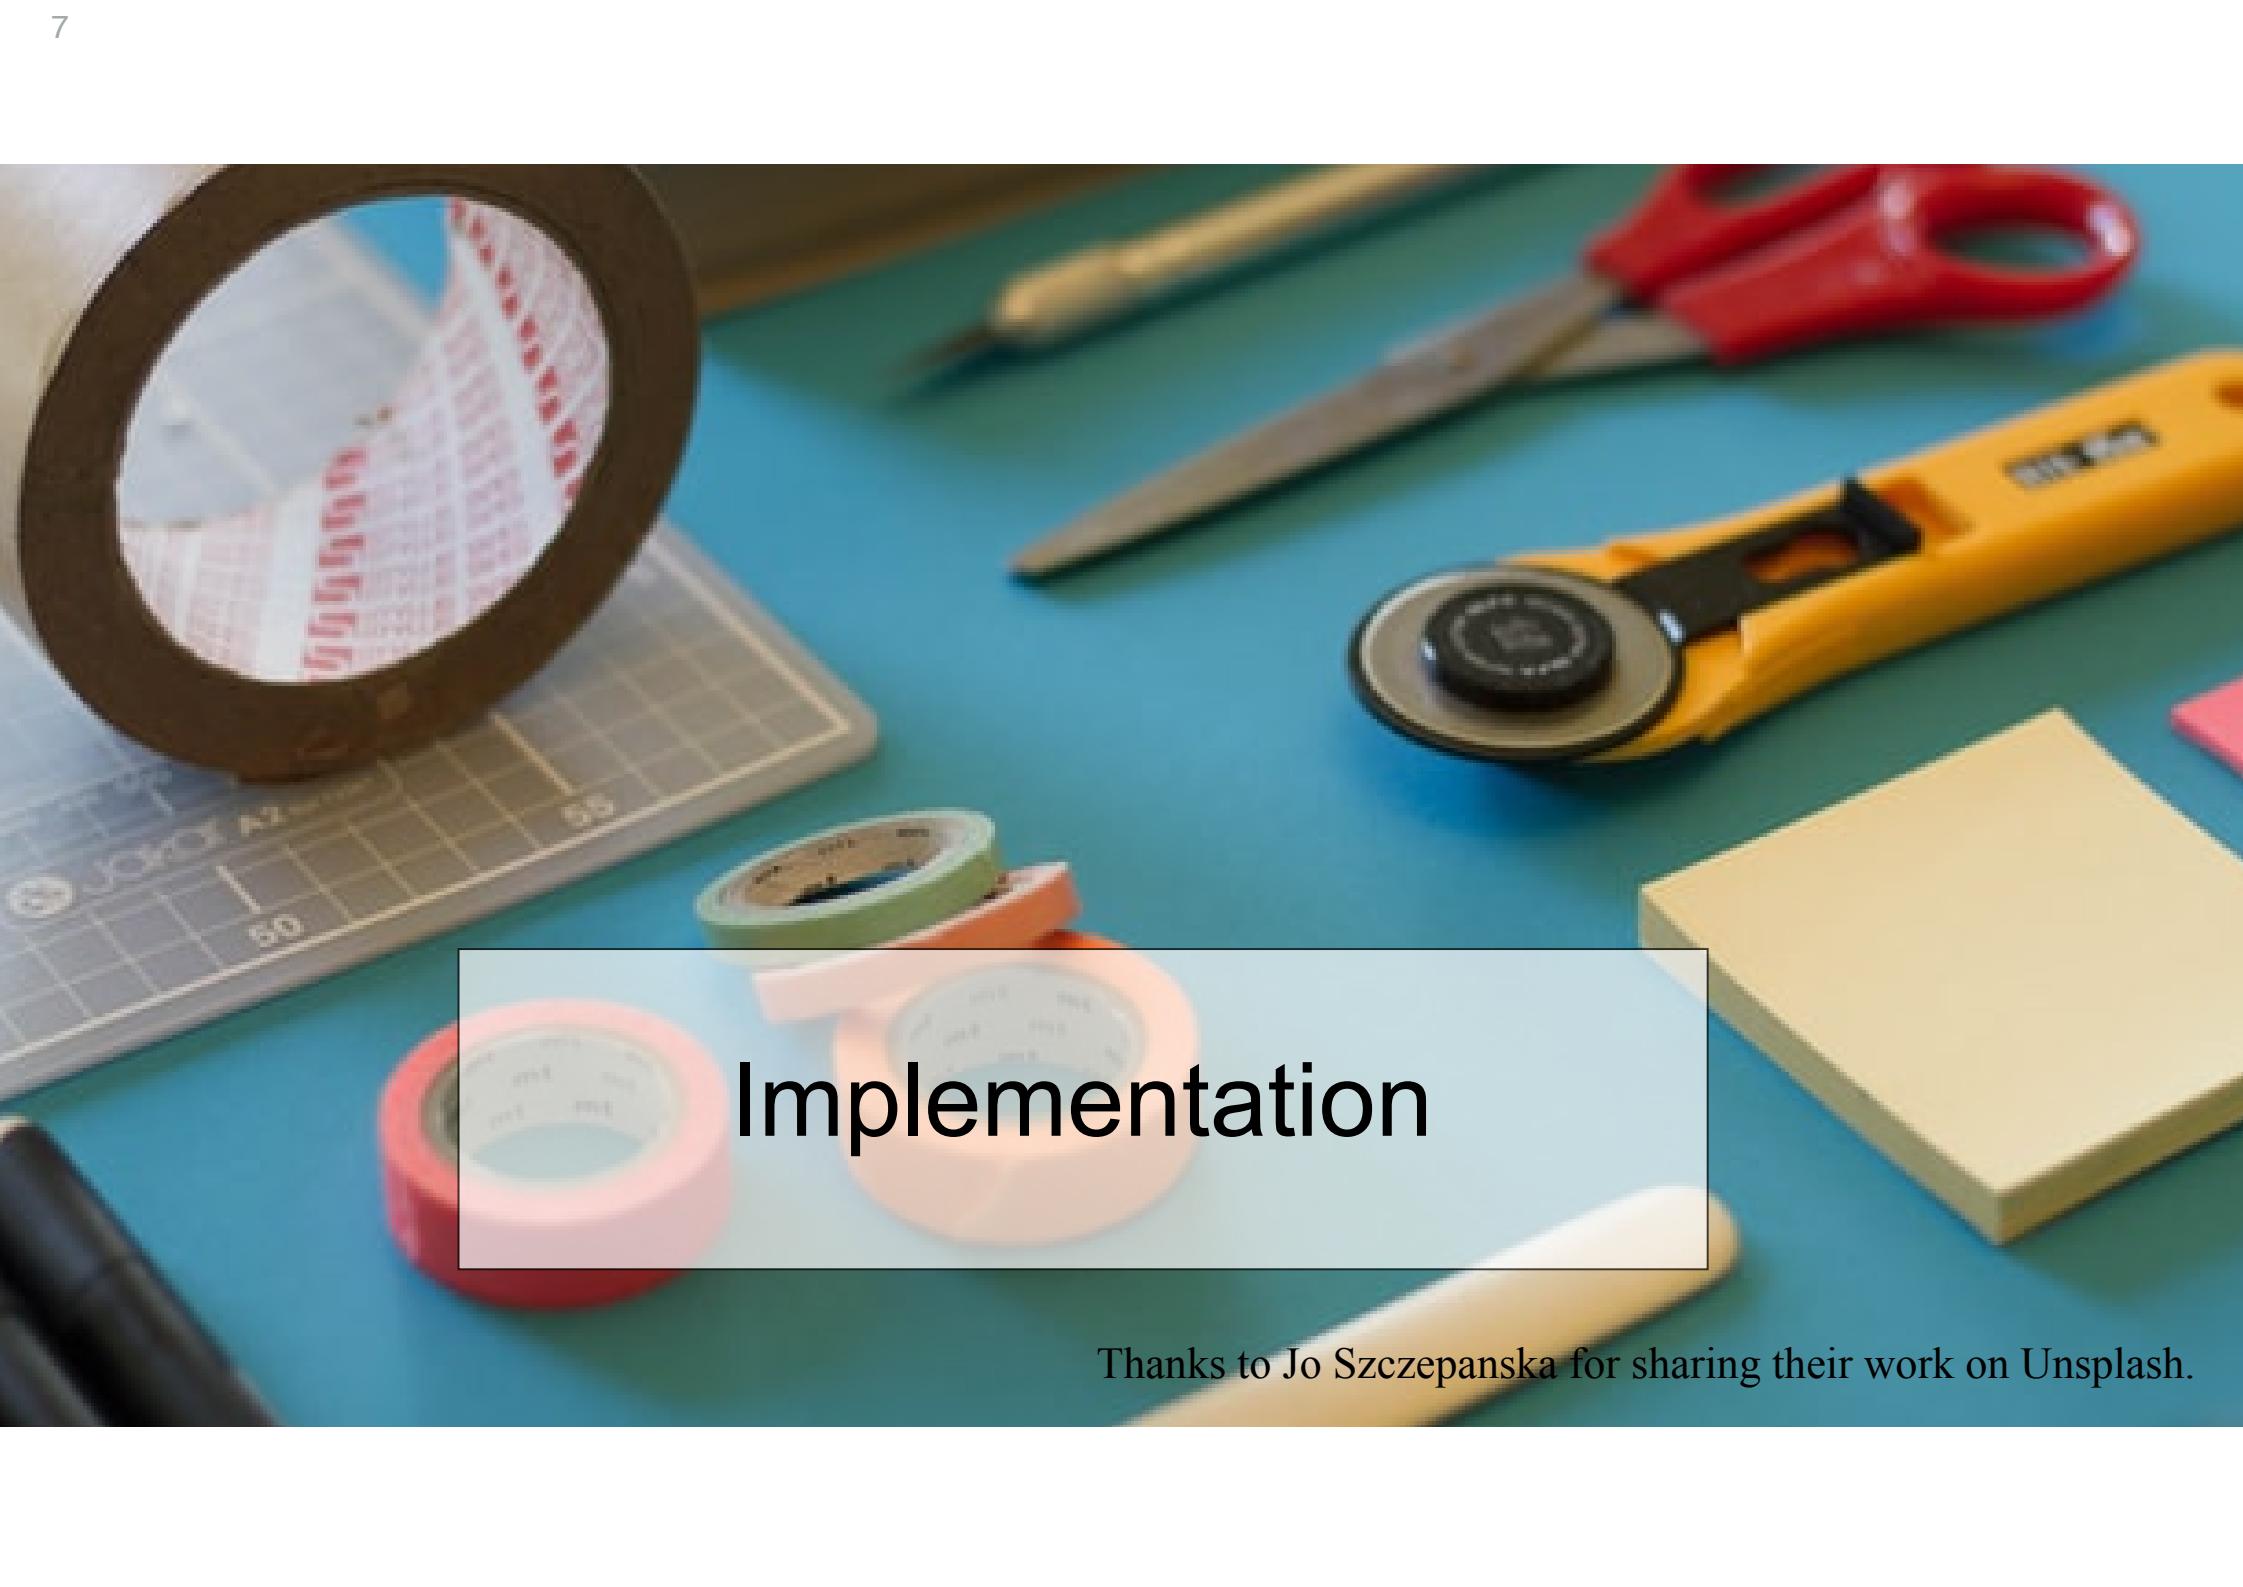

Thanks to Stephen Dawson for sharing their work on Unsplash.

A close-up photograph of a wooden pencil lying diagonally across a technical architectural drawing. The drawing shows a cross-section of a bridge or similar structure with various dimensions labeled in black ink. A prominent dimension line indicates a height of '2.000' meters. The pencil's tip is positioned near the bottom right corner of the drawing. The background is slightly blurred.

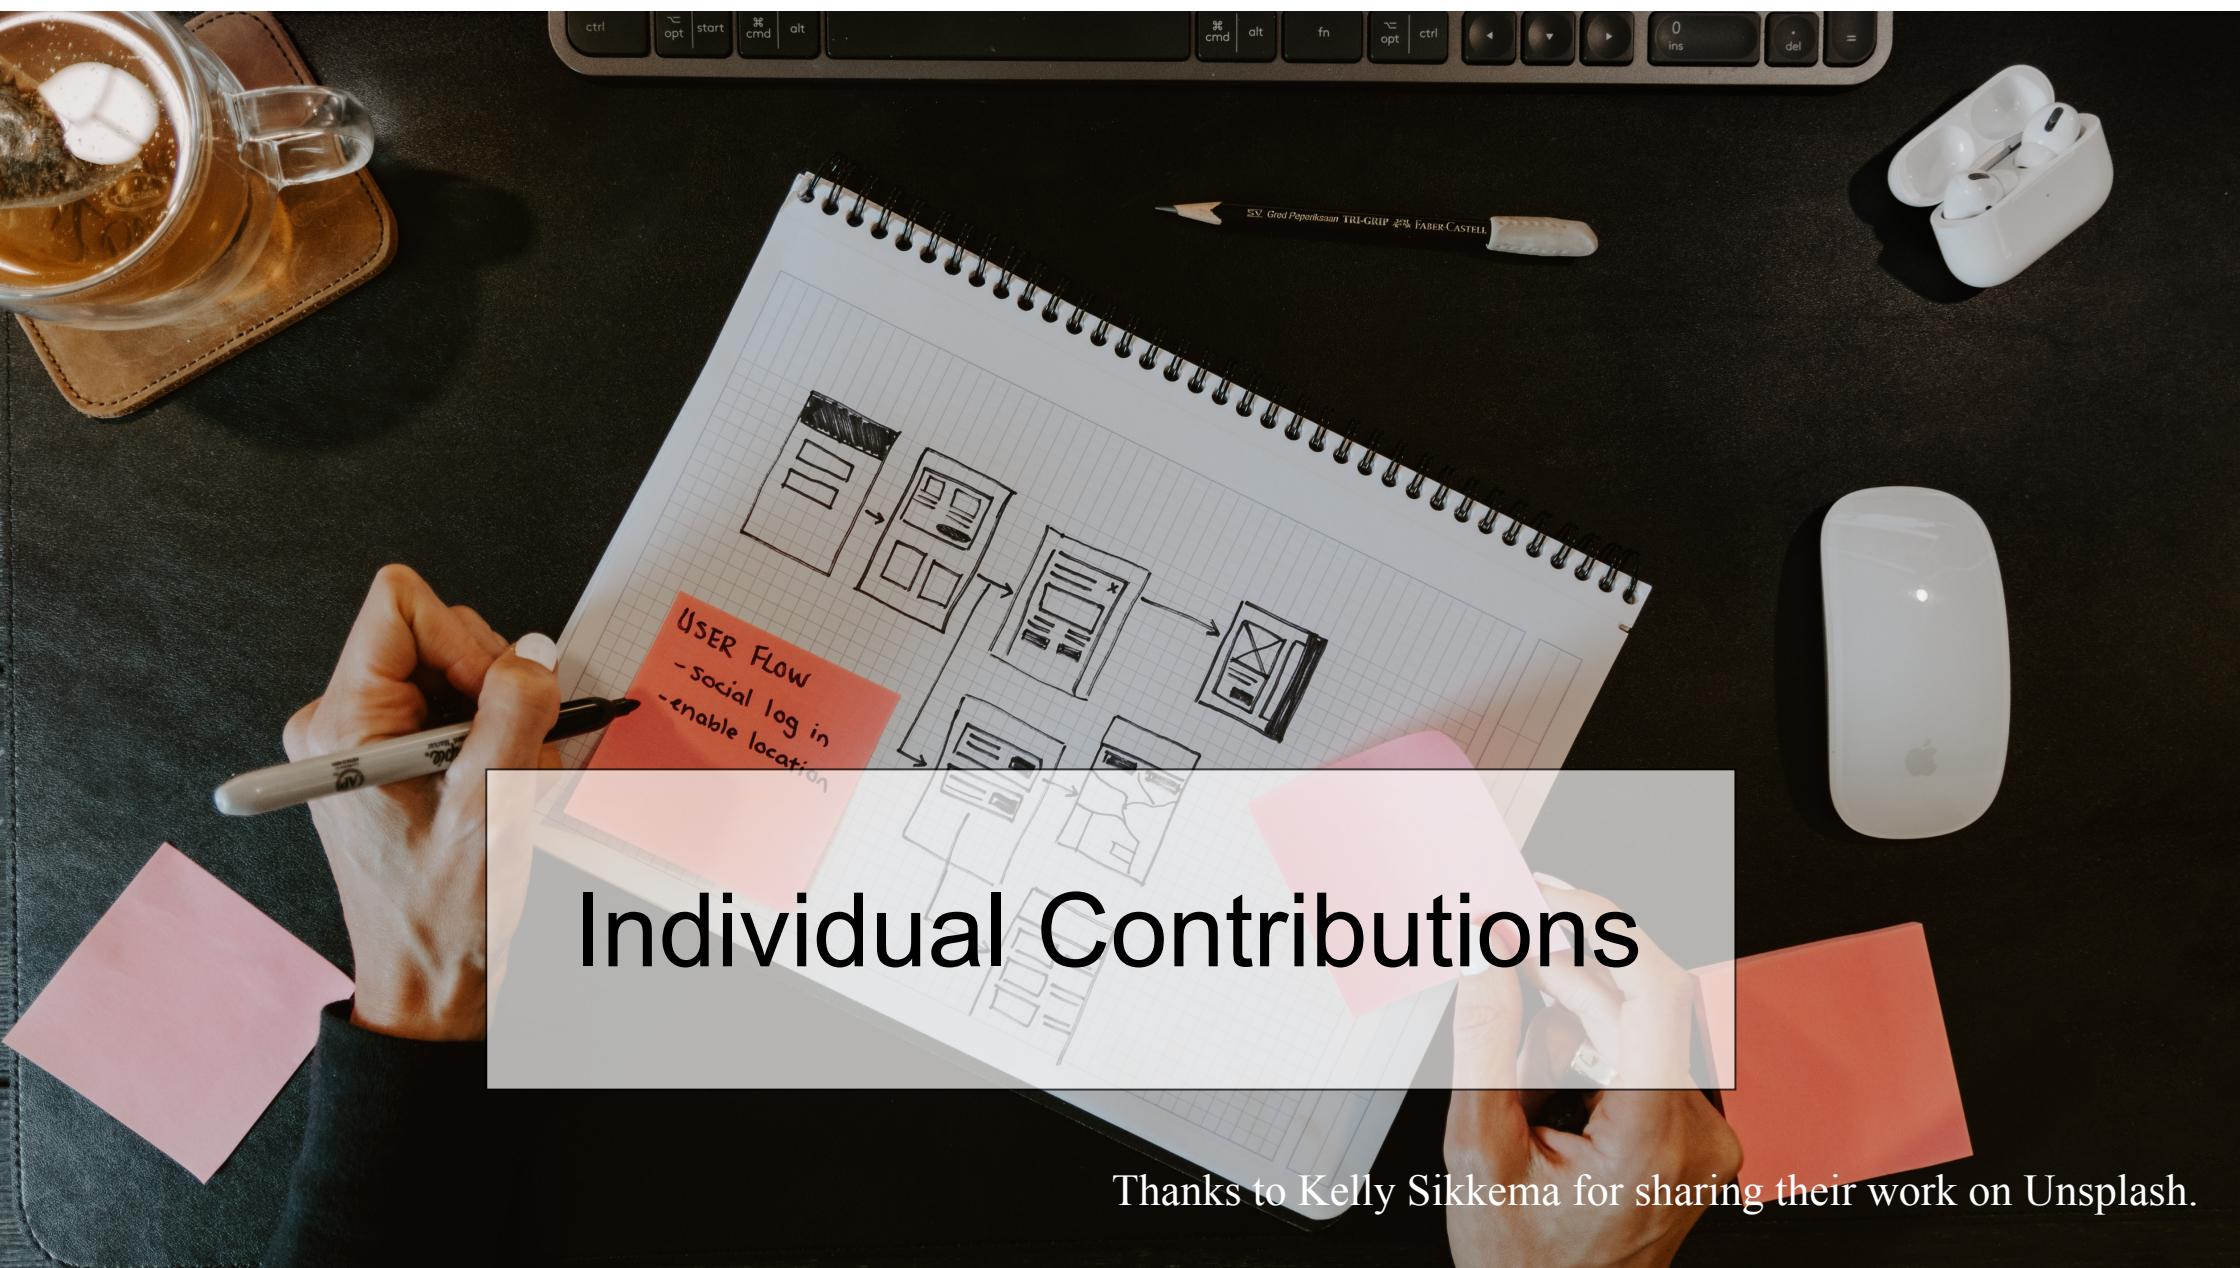

Design Process

Thanks to Sven Mieke for sharing their work on Unsplash.

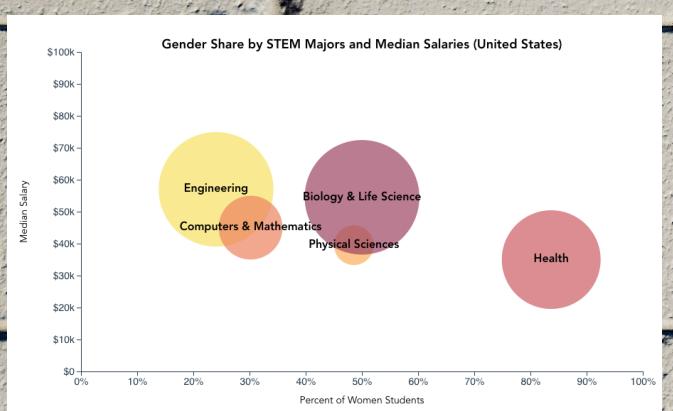

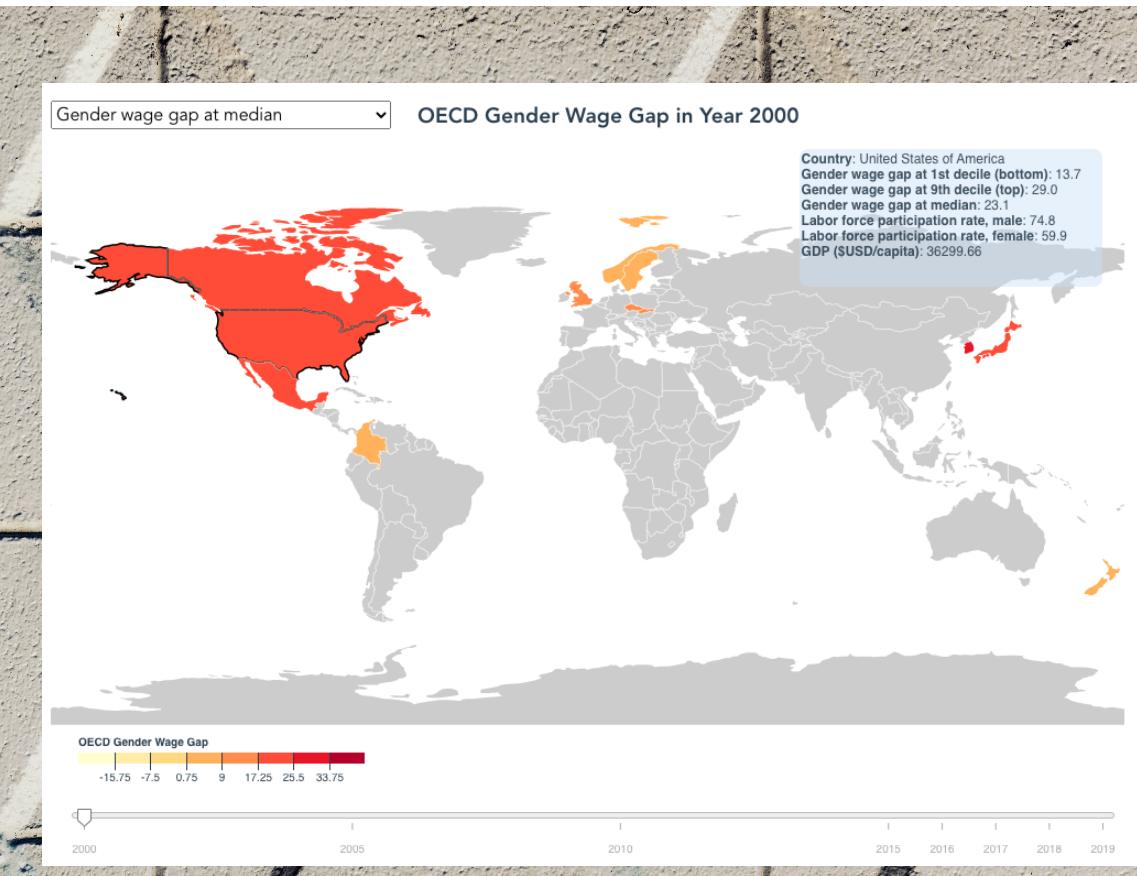

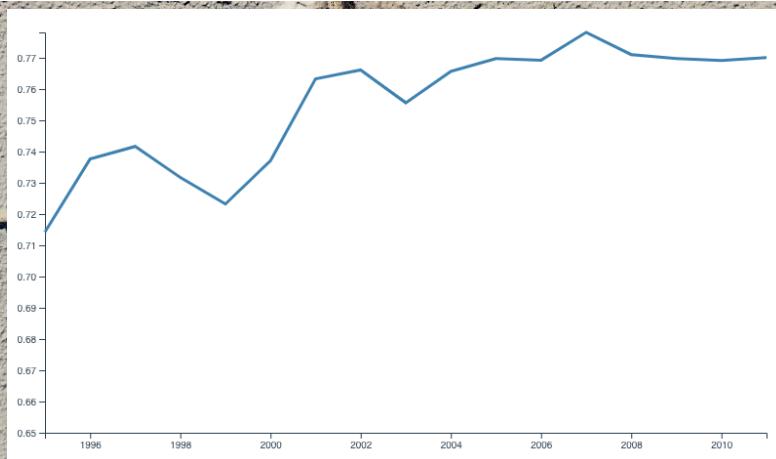

A photograph of various crafting tools on a teal-colored surface. In the top left, there's a roll of brown painter's tape with red text. Next to it is a clear ruler with a grid pattern and markings for centimeters and inches. In the center, there are two small rolls of washi tape, one pink and one orange. To the right, there's a yellow utility knife with a black handle and a pair of red-handled scissors. In the bottom right corner, there's a stack of yellow sticky notes. A white rectangular box with a thin black border is overlaid on the image, containing the word "Implementation".

Implementation

Thanks to Jo Szczepanska for sharing their work on Unsplash.

Thanks to Kelly Sikkema for sharing their work on Unsplash.

Final Product

Conclusion & Future Work

Thanks to LinkedIn Sales for sharing their work on Unsplash.

Thank You!
